Modern villa with beautiful garden - possible to extend or split the land and build second villa

This modern three bedroom villa was built in 2015 with great attention to good taste, quality and energetic performance, scoring an excellent A rating classification. The rooms in the house are well distributed with the center being the large kitchen with beautiful wall tiles and the covered patio to enjoy life outdoors, whether relaxing reading a book or dinner with friends. A truly wonderful property to enjoy, in total privacy. There are three bedrooms and two bathrooms, one with shower and the other with a bath.

The property is fully fenced and has two independent entrances. The total land area is 1220 sqm and half is taken by an amazing beautiful garden, fully irrigated with the rain water collection system. There is also an existing non habitacional large annex, currently used as storage. Within walking distance you can find a mini-market plus a local café. Tavira is about 10 minutes drive
