into the sitting area and the dining area. A large guest toilet before entering the modern kitchen, with high quality electric cabinet doors and siltstone white “Zeus” kitchen top. All appliances from German quality brand De Dietrich. The kitchen leads onto an elevated terrace with BBQ overlooking the pool. On the ground floor there is also a fully equipped laundry room and a garage with an electric car charger and direct access to the house.

The first floor has a large distribution landing area. A large and beautiful bathroom serves the two bedrooms while the main bedroom has its own en-suite shower. All the bedrooms have access to outside terraces.

Throughout the house you will find air-conditioning, central vacuum system and the hot water is via a solar panel.

The plot has a total area of 607sqm and the house a total built area of 243sqm including balconies. Adding to the beauty and modernity of this fantastic property, it has been built with quality making it a very solid and robust property.

A pleasantly surprising property offering great life style without complications.
